

TEEN SUMMER READING 2026

UNEARTH A STORY™

Grades 6-12, June 29th - August 7th, 2026

Haxton Memorial Public Library

How It Works:

When you register for Summer Reading, you will receive your first Fossil Activity Tracker and first Reading Log.

Fossil Activity Tracker:

You can collect fossils by completing any of the listed activities. You may earn a prize OR a ticket for every TWO fossils you collect. You may only fill one tracker per week.

Reading Log:

Mark off a book for every 30 MINUTES read. ESTIMATES ARE ALLOWED. You may earn a prize OR a ticket for every 1 HOUR you read. You may only fill one tracker per week. Be sure to record your total minutes read daily at the bottom for a chance at the top THREE reader prizes. Logs must be turned in by MONDAY, AUG. 10TH to be counted.

Dino Photo Contest:

Starting June 29th, teens can select a toy dinosaur to take home for THREE days. Using the dinosaur, they must photograph it in a creative and fun way. They can choose to just do a fun photograph or they can turn the photo into a fun meme! Photos must be printed and turned in or emailed to the library by July 24th. Photos will be displayed during the last week of July and the first week of August, and will be voted on by patrons. THREE winners will be chosen and prizes will be awarded during the Ice Cream Party on August 11th!
